

La col·lecció AP1972 ha estat desenvolupada commemorant el nostre 50 aniversari. Amb un disseny suau i atemporal, vincula les raïces del nostre origen local amb un present global i cosmopolita.

A single, dark, gnarled tree branch with several smaller, thinner branches extending from it. The branch is set against a solid black background, creating a stark, high-contrast image. The texture of the bark appears rough and weathered.

The image displays three personal care products. On the left is a tube of 'KEMPHOR OINTMENT' by 'KEMPHOR OINTMENT' with 'KEMPHOR OINTMENT' and 'KEMPHOR OINTMENT' printed vertically on the sides. In the center is a can of 'LEA 1882' 'SPUMA de toaletă' (Deodorant Foam) with 'LEA 1882' and 'SPUMA de toaletă' printed on the label. On the right is a tube of 'ntnomeniti' 'Crema pentru tenul uscat' (Dry Skin Cream) with 'ntnomeniti' and 'Crema pentru tenul uscat' printed on the tube.
